Title I Parent and Family Engagement

PARENT AND FAMILY ENGAGEMENT

Parents/families play an important part in their child's education. Title I encourages parents/families to be more engaged as full partners, as appropriate, in decision-making and on advisory committees such as the District Parent and Family Engagement Plan Committee (DPFEP) and the School Advisory Council (SAC). If you would like to participate on either committee, contact your Family School Liaison.

PARENT AND FAMILY ENGAGEMENT SCHOOL CENTERS

Parent and Family Engagement School Centers are located at each Title I school. The mission of the centers is to provide a place where parents and families can find resources to help their child succeed, connections to community assistance, resources and materials. Parents and families can contact the school's Family School Liaison to check-out educational games, books, electronic devices (iPads, computers) and other educational materials/resources.
